

Gwendolyn the gnome and Matilda the bird are two friends. They decide to build a house to live in. But sharing a home is not easy. Matilda is irritated by her intolerant neighbour and Gwendolyn doesn't accept the bird's playful nature. "Gnome" is a puppet show about the challenge of friendship and tolerance, and new family structures. The set and puppets are made with natural organic materials.

Script, puppet design and construction and performance: Emilia Esteban Langstaff

Director, puppet and set design and construction: Eduard Blanch Barbany

Music: traditional Irish interpreted by Lisa Bause

Special thanks to: Rene Baker **Costume:** Patricia Viosà

Ages 3+ 45 minutes family and school audiences ideal for an audience of 100-150
